

Bealtaine Touring Award 2022

Deadline - 5pm, Friday 12 November 2021

Information for applicants

Age & Opportunity's Arts Programme invites applications from performing artists and producers for an award for work which will tour, during May 2022, as part of the Bealtaine Festival.

About the Bealtaine Festival

Bealtaine is Ireland's national festival which uniquely celebrates the arts and creativity as we age. The festival is run by Age & Opportunity, the leading national development organisation working to enable the best possible quality of life for all of us as we age. Bealtaine is at the centre of Age & Opportunity's Arts programme and celebrated its 25th anniversary in 2020. In 2021, we began a new 3 year theme of **In(ter)dependence** – inspired by our upcoming centenary as a sovereign nation, but also in recognition of our interdependence with each other and the natural world. Covid-19 and in particular its impact on older people, has underlined the natural and human ecosystem of dependence and connection.

Bealtaine Touring Award

The call for performing arts tours in 2022 invites artists and producers to submit proposals for consideration by Age & Opportunity. Age & Opportunity will provide a platform for presenting the tour during the Bealtaine Festival in the month of May along with some financial support (see below). The producer/artist will be responsible for all aspects of the production and tour, with Age & Opportunity as a co-producer. The tour must happen during the month of May 2022, but may have additional dates outside of this period.

It is hoped through this process that Age & Opportunity can get a broad sense of what work is currently being developed or in production which somehow relates to Bealtaine. There is also the potential for the Festival to work with applicants at a later date and so while this award will be given for 2022, we are eager to broaden our network of artists and producers who are interested in making work that supports the aims of Age & Opportunity's organisational strategy and chimes with the objectives and goals of our Bealtaine Festival. We are eager to engage with artists in a new way by making them aware that the festival is open to new collaborations.

We are also eager to receive applications for work that is radical, challenging, humorous or offbeat. We especially invite artists from marginalised or underrepresented communities to apply.

Call for Applications

Age & Opportunity invites applications from producers of performing arts work for a touring award, whereby the following parameters will apply:
